Volume 2 Number 1

January 2006

Hello Quilters!

Well, the Holidays are over, and it's time to settle in for some serious quilting. We have lots of exciting things in store for you in the upcoming months.

We will continue having specials every month, and a few added extras too! We had several lucky customers receive deep discounts in response to our e-mail ad. 40% discounts were won by: Kay Robison of Arvada, and Ginger Reichert of Denver. 30% discounts went to several, one of which was Debbie Ator. Periodically, we will be sending out unadvertised specials by e-mail, so if you haven't signed up for our e-mail list, you might want to in order to get in on these extra savings.

We will be doing some store rearranging for your shopping pleasure, and to make room for our new Gammill longarm quilting machine which should be arriving near the end of January!

An extended class schedule is included, so be sure to check out all the wonderful new classes we will be offering in the next few months. We have added a lot of new Heather Thomas classes.

We are pleased to welcome Karen Thompson as a new teacher in the shop. Karen is a prize winning quilter and is accomplished in a variety of techniques including hand and machine piecing, hand quilting, miniature and Seminole patchwork. She has been teaching beginners her love of quilting in Anchorage, AK and Evergreen, CO since 1990.

By popular demand, we will continue to offer the "Blizzard Bunch" block of the month in 2006. This is a lively bunch of snowmen, and has been extremely popular. Be sure to visit the shop to see the finished quilt. The price is still only \$15.95 per month for 12 months. The price includes all the patterns and fabrics for the blocks as well as the connector units, borders and binding.

As the year progresses, we will be adding another Block of the Month pattern, offering machine quilting services, more classes, more samples and more kits for your pleasure.

Our website, [www.goldenquiltcompany.com](http://www.goldenquiltcompany.com) is up and running and we happily do same day mailing anywhere in the U.S. You will find pictures of many of the kits and gift items available for purchase as well as directions, class schedules, and other interesting items.

We have new fabric arriving all the time. The new Three Sisters line from Moda "Faded Memories" will be in the shop in January. We've ordered 27 bolts of it, but it won't last long!

And last, but not least, effective January 1, 2006 we will be offering a 10% discount to Rocky Mountain Quilt Museum volunteers on all regularly priced merchandise. (Classes and Blocks of the Month excluded.) You must show your volunteer name tag and identification for the discount.

**Quilt 'til U Wilt** will be held the 3rd Friday of every month. Call early for your reservation as space is limited.
